

Christ is Fueling a Mighty Movement  
in Slovakia

Continue to Help Through Prayer

## The Movement

How does a movement of God gain momentum? God's own breath gives life and energy to His church, and we believe that He has begun to move in a special way in Central and Eastern Europe. We know from the book of Acts that the church grows through faithful disciples, as those who have been reached go on to reach others.

## Our Team

We are excited to tell you that this summer, Eastbridge Presbyterian Church is again sending a team of young adults to do ministry in the eastern European country of Slovakia. **Our college ministry team will be in Rožňava, Slovakia from June 25th – July 9th, 2019.** Throughout the months leading up to our departure date, we are immersed in training, fundraising, team building, and prayer.

## The Trip

This short-term mission trip is all about relationships. **Slovakia's evangelical church is only 0.2% of the Slovak population of 5.4 million.** God's movement is causing the people of Slovakia to be more and more willing to engage in dialogue about Him. This is especially true among teens and young adults ... the very people with whom we are building relationships. We will share Christ and help them connect to the local church through relational evangelism and discipleship. Through conversational English, sports, hiking, and evening sessions we will live life with our new friends and assist in creating a bridge for them to encounter Christ and connect with the church in Rožňava.

## Join Us!

We cannot do this work alone! We need you on our team as well. **The cost of the trip is \$2,400 per person.** We are each responsible for a major portion of this total, but we are also inviting you to support us by making donations to Eastbridge's Mission Fund. We'd like your email address as well so that we can keep you updated regularly as we prepare, travel, serve, and return. **We need your prayers, so our updates will give you specific ways to remember us.** Thanks for being on our team!!

**\*\*If you feel called to support us, please send checks to Eastbridge Presbyterian Church, 1250 Lexington Drive, Mt. Pleasant, SC, 29466. Please annotate on your check in the memo section "Mission Fund – Slovakia" and the person's name that you are supporting.**
